

## MEMORANDUM OF UNDERSTANDING

UFSCar  
N.º: 017/2025  
Processo: 23112.026068/2024-32

**Memorandum of Understanding between the  
Federal University of São Carlos (Brazil) and  
Chemnitz University of Technology (Germany)  
for the promotion of academic, scientific,  
technical and cultural cooperation**

The Federal University of São Carlos, with registered offices on São Carlos campus, at *Rodovia Washington Luís*, km 235, in São Carlos, in the state of São Paulo, Brazil, represented by its Rector, Prof. Ana Beatriz de Oliveira, Ph.D., and Chemnitz University of Technology, with registered offices at *Straße der Nationen 62*, in 09111 Chemnitz, in Saxony, Germany, represented herein by its Rector, Prof. Dr. Gerd Strohmeier,

**WHEREAS** both Institutions are interested in the development of Higher Education, scientific knowledge and research, and technology,

**WHEREAS** they wish to formally support an institutional relationship between them, aiming to promote their continuous strengthening, enhancement and advancement by jointly developing academic, scientific, technical and cultural activities in compliance with the applicable foreign trade law,

**ENTER INTO THIS MEMORANDUM OF UNDERSTANDING**, hereinafter referred to as "MOU", which will be governed by the following terms and conditions:

**SECTION 1:** The objectives of this MOU are as follows:

- I. To support an institutional relationship between the Parties, so as to enable the joint development of training, research, technical and cultural programs, projects and activities.
- II. To stipulate the methods and means to carry out such programs, projects and activities, especially the development of research, training activities and academic exchanges.

**SECTION 2:** The accomplishment of the objectives hereof may consist in the following forms of cooperation:

- I. Joint development of research programs, projects and activities in equivalent, similar or matching research areas between the Parties, as well as regarding scientific topics of their mutual interest.
- II. Exchange of staff and students.
- III. Assignment and exchange of publications and other materials of common interest, as well as joint production of publications.
- IV. Organization of common academic, scientific and cultural events, e.g., conferences, symposia, seminars and colloquia.
- V. Other academic, scientific and cultural programs, projects and activities that the Parties may mutually wish to develop, in accord with their respective institutional purposes.

**SECTION 3:** Subject to availability of funds, the development of programs, projects and activities listed in the previous section will be formalized by means of the execution of specific cooperation agreements that shall explicitly mention it.

Such specific cooperation agreements shall set forth the following: purpose and/or objectives of the specific program, project or activity; rights and responsibilities of both Parties; financial resources for the development of the respective object; duration of the corresponding agreement, as well as procedures to amend and terminate it; settlement of disputes; other appropriate, relevant terms and conditions regarding the respective purpose, *e.g.*, specific steps or forms to pursue it, and provisions on intellectual property rights, confidentiality of information and publications.

Contract provisions of public funding organizations have to be respected and prioritized.

**SECTION 4:** Participation in any program, project or activity under this MOU does not generate any formal employer-employee relationship between any person from either Party and the other Party.

**SECTION 5:** Unless otherwise agreed in an amendment hereto, this MOU does not create any financial obligation from either Party to the other. Each Party shall bear the costs of its own effective participation in the development hereof.

The Parties may carry out programs, projects and activities hereunder using funds granted from agencies and organizations devoted to funding research and development, as well as from companies and other private and public institutions.

**SECTION 6:** This MOU is valid as from the date of the last signature by both Parties and will remain in force for five (5) years. The duration hereof may be extended by means of a duly signed amendment.

**SECTION 7:** Any amendment hereto shall be agreed in writing and signed by the authorized representatives of both Parties.

**SECTION 8:** Any Party can terminate this MOU at any time by giving the other Party a reasoned termination notice in writing at least three (3) months in advance, along with return receipt. In the event of termination hereof, eventually ongoing activities will be duly concluded.

**SECTION 9:** Questions and disputes arising from the interpretation or execution of this MOU will be friendly settled by both Parties.

Both Parties sign this MOU in four identical copies, two in Portuguese and two in English, but the English version of the agreement is binding and will prevail in the event of any differences, discrepancies or controversies between both versions.
