

International Autumn School: German Language & First Steps at TU Braunschweig

- Information about Scholarship Opportunities -

Dear Students,

We are delighted to inform you that you have the opportunity to participate in the “*International Autumn School: German Language & First Steps at TU Braunschweig*” from 14 September to 09 October 2026 with a scholarship from the Lower Saxony Ministry for Science and Culture.

The Autumn School gives you the opportunity to improve your German language skills, to get to know TU Braunschweig and its campus and to familiarise yourself with Braunschweig. Through joint regional studies evenings and excursions to exciting cities such as Goslar or Berlin, you will also have the chance to discover German culture and history. This combination makes the Autumn School the perfect start for anyone planning an exchange semester at TU Braunschweig in the winter semester. It’s also a great opportunity for students who are still deciding whether they want to do an exchange semester during their future studies.

At a glance: What to expect during Autumn School:

- 90 hours of German and regional studies lessons (available for different language levels)
- 3 regional studies nights
- several events to get to know TU Braunschweig
- 3 day trips to exciting cities such as Berlin and Goslar
- Many joint leisure activities with international students from all over the world
- Graded certificate (6 ECTS, if creditable in your degree programme)

The Lower Saxony Ministry for Science and Culture (MWK) is providing funding to strengthen ties with its partner regions worldwide. This enables students from the Netherlands, the provinces of Greater Poland and Lower Silesia (Poland), the Normandy region (France), the Valencia region (Spain), the state of Sao Paulo (Brazil) and Santa Fe (Argentina) to apply for a scholarship covering the fee for the German Courses as well as accommodation in Braunschweig. **This way, students can participate for a reduced course fee of 300€** (covering teaching material, transport ticket in Braunschweig, social programme and excursions).

You can find more information in the flyer (attached) as well as on our website: <https://www.tu-braunschweig.de/en/international-autumn-school/registration>. Here, you will also find all relevant information regarding the application. The application deadline is 31 July 2026.
